

3.3 ICT facilities

ICT (Information and Communication Technology) lab infrastructure includes computers, internet connectivity, projectors, and other multimedia facilities that support digital learning. At GDC Takipur, adequate ICT lab infrastructure is available for students to gain proficiency in digital skills and stay updated with the latest trends and technologies.

(i) Number of interactive panels/virtual classrooms/ multimedia projectors

There are in total 3 virtual classrooms/multimedia projectors

(ii) % teachers using ICT facility

Almost all the faculty use this facility with allotted time (copy of time table is available in criteria 1.2 i) to different subjects.

(iii) Number of students benefited from ICT facility

About more than 50% students are benefited
