

Special Initiatives Adopted by the College

1. Groundwater Recharge and Rainwater Harvesting Initiative

Atal Bihari Vajpayee Government Degree College Takipur has established a **rainwater harvesting system with groundwater recharge facilities** within the campus. This initiative helps conserve rainwater, replenish underground water resources, and promotes sustainable water management practices among students and staff.

2. Guest Editorial Platform for Government School Students

The college has introduced a **Guest Editorial Section** in its academic publications for students of nearby government schools. This platform encourages school students to express their ideas and creativity through writing, helping them develop **communication skills, confidence, and academic interest**, while strengthening the academic linkage between the college and local schools.

3. "One Guest and One Tree" Green Campus Initiative

Under this unique environmental initiative, **every visiting faculty member, guest speaker, or resource person plants a tree on the campus.** This practice contributes to increasing the green cover of the institution and reflects the college's commitment to maintaining a **green and eco-friendly campus environment.**

4. Community Library Access Initiative

The college library is also **open for local residents and nearby school students**, providing them access to books, newspapers, and academic resources. This initiative promotes reading habits, supports students preparing for competitive examinations, and strengthens the college's role as a **knowledge resource centre for the local community**
